International Certifications

"Estudio Olachea has provided us with valuable guidance and support when navigating complex legal issues."

"They are fast without losing quality in the deliverables."

"Direct involvement of the main lawyer in the case or consultation, not only in the first meeting but for the duration of the assignment."

"Much more personalised treatment than in other offices, great clarity to express the pros and cons of the options."

"Immediate attention. I can call them at any time and day and they are always available."

"Powerful team with strong technical and market knowledge, that provides a great client service and is always available."

"Their service is unbeatable and the speed of response is immediate."

Global Networks

We maintain cooperative relationships with the most prestigious firms worldwide. In Peru, we are the exclusive members of the leading International Legal Networks.
